- Sital Insurance Company (Cayman) Ltd. SPC
- Artex Risk Solutions (Cayman) Limited
- Insurance Managers Association of Cayman

The IMAC Scholarship was formed in 1994 to assist with the post high school education of young Caymanians. Contributions are derived from the Association, local insurance managers, captive insurance companies registered in Cayman, along with the proceeds of the annual Cayman Captive Forum held at the Ritz Carlton. The Fund currently supports 13 students in full time education overseas.

“I cannot wait to be the teacher who can touch the lives of my students and then I can help my little ones achieve their dreams just as IMAC has helped me achieve mine.”

Erica Powell
