Dear Ian:

The American Society for Healthcare Risk Management (ASHRM) has reviewed the program content for your educational program entitled, "2017 Cayman Captive Forum" on November 28, 2017.

This program has been approved for 11.5 contact hour(s) of Continuing Education Credit toward fulfillment of the requirements of ASHRM designations of FASHRM (Fellow) and DFASHRM (Distinguished Fellow) and towards CPHRM renewal.

You will note that continuing education credits are provided in contact hours, in compliance with FASHRM, DFASHRM, and CPHRM renewal application requirements. **The continuing education credits wording on your certificates should appear as in the previous paragraph of this letter.** It is suggested that you mark the content and type codes for the CPHRM renewal on your certificates to facilitate the renewal process for certificants. I am attaching a copy of the charts used to make this determination, for your reference.

If I can be of any further assistance, please feel free to contact me at (312) 422-3984, or via e-mail at gbuchanan@aha.org. Thank you for your interest!

Best regards,
