Dear Immigration and Customs Officers:

Re: Expedited entry for Cayman Captive Forum attendees

The holder of this letter is attending the 25th Annual Cayman Captive Forum, from Tuesday, 28 November to Thursday, 30 November.

Cayman Captive Forum is organised by the Insurance Managers Association of Cayman (IMAC), one of our Islands' financial services associations. Locally, their event is one of Cayman's largest conferences annually. It also holds the honour of being the largest captives conference globally.

I therefore ask that you kindly assist the holder of this letter, as he or she fulfils the expedited Cayman Islands entry requirements.

Sincerely,

Hon. Tara Rivers, JP, MLA
Minister of Financial Services and Home Affairs
